Tattersall's Club Magazine

THE OFFICIAL JOURNAL
OF TATTERSALL'S CLUB
SYDNEY

CHAIRMAN OF TATTERSALL'S CLUB KEITH MOREMON, JACK CHOWN, OBE, ROLF HARRIS, OBE,
THE HON. DOUGLAS McCLELLAND AND ALAN DAVIDSON, MBE.

Plaques were presented to Tattersall's member Jack Chown and entertainer Rolf Harris,
great benefactors of the Institute of Sports Medicine Foundation.

CHAIRMAN'S MESSAGE

This is the last issue of our magazine for 1982 — I take this opportunity to wish all members and their families a very happy Christmas and New Year holiday period and may 1983 be a good year for you.

In the tradition of Tattersall's Club there are a large number of functions organised over the Christmas/New Year period which are detailed for you in other parts of this magazine, and I urge you to participate wholeheartedly in as many of the functions as you are able and guarantee your enjoyment of them.

As soon as you are able to check your diaries make your bookings (where they are necessary) early, with the office.

1982 has certainly been a difficult one for the Committee, and I must firstly thank members for their increased support over recent weeks following my message asking for more usage of the Club.

The Club has marvellous facilities and the way members will best benefit from them is to use them regularly. Whilst on this subject I must thank members, our sponsors and our guests for the wonderful support at our Race Day at Randwick on September 4. I am told that it was a record turnover on the TAB for a Tattersall's meeting. Do not forget our summer meeting on New Year's Day, January 1, 1983. All members are entitled to tickets — first in best served — please enquire at the office.

As we go to press the Club is in the midst of winding up its internal Clubs' functions for the year. The Billiards and Snooker presentation evening like the Swimming Club dinner dance were wonderful nights of good fellowship amongst members and their guests, and we have many more including the Golf Club, Bowling Club, Ski Club, Epicurean Club and of course the very active Handball section too. If you have not participated in any of the sports conducted by our house clubs, then why not consider joining the various internal clubs next year, they generate great enjoyment and club spirit.

Congratulations to all of those who won trophies in the enormous range of sports we covered in 1982.

I would like to thank the Committee, Sub-Committees and House Sport Committees for their marvellous support and hard work during 1982, and no one is more deserving of my thanks than our Secretary, Norman Smith, and his loyal and devoted staff of Tattersall's Club.

Your Committee has resolved that in order to encourage and assist sons of members to join the Club as soon as they are eligible (under Rule 19), to waive the payment of the Entrance Fee (under Rule 14) on the following conditions:

(a) Application for membership be lodged within forty-eight (48) months of the applicant's twenty-first birthday;

(b) The applicant be nominated by his father, or

(c) In the event that it is not possible to comply with (b) then the applicant may be nominated by another member preferably being the applicant's grandfather, uncle or other relative, or

(d) In the event that it is not possible to comply with either (b) or (c) then by any other member.

In line with rising costs there will be an increase in subscriptions for the year ending 1983/84, to the following:

| | |
|----------|----------|
| Ordinary | \$275.00 |
| Country | \$115.00 |
| Absentee | \$22.00 |
| Senior | \$95.00 |
| Retired | \$105.00 |

(Special Category on application to the Secretary).

Members may pay two years' subscriptions in advance if they care to do so, and if it is necessary for a further increase in subscriptions, those with advance payments would not have to pay any such increase.

HAVE YOU HAD ANY MSG LATELY?

MSG is used in preparation of food as an easy substitute for traditional vegetable or meat stock which takes time and trouble to prepare. Controversy about it is not new.

The additive seems to affect up to a third of those who do not normally consume it as part of their daily diet. In South-East Asia, many of those who suffer uncomfortable side-effects are overseas visitors to street stalls and Chinese restaurants. They come from countries such as Australia, where MSG is not as widely used as it is in Asia.

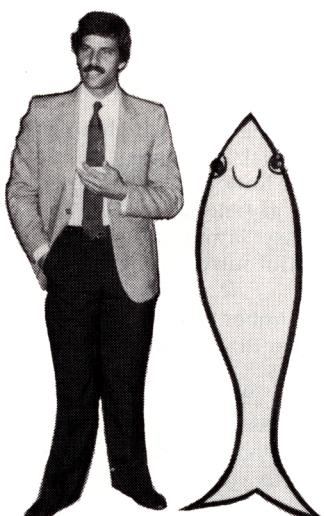

I was interested to read that in 1969 the US Government called on manufacturers to ban the use of MONOSODIUM GLUTAMATE (MSG) in baby foods. In 1980 the American Drug Administration endorsed a "voluntary" ban which has been adhered to.

In Sydney a few years ago my wife suffered a collapse after eating food in a Chinese restaurant — doctors were mystified — the food was beautiful but I wonder if the cook had been a bit too heavy with the MSG which my dear girl could have been allergic to.

SWIM POWER!

In the Club recently I caught up with that "human fish", famous Olympic gold medalist swimmer, Mark Spitz. (He's got a gold for every day of the week).

Mark is a fine type of young gentleman. He made a short speech on being presented with honorary visiting membership of Tattersall's Club. I couldn't help note the silhouette in the leg and feet area which may give the clue to his amazing power in the water . . . so I did a sketch.

WINING, DINING AND CLUB NEWS

Warwick Poulden and Les Pegg were seen at a very happy lunch at Tattersall's with smiling and pleasant bookmaker member Roger Manning. Roger is a good supporter of the dining room area at Tattersall's. It's good to see the men who "stand up" at the various courses come to lunch in the dining room.

☆ ☆ ☆

Club regulars, very well liked members and business executives Gil Stone and Bill Kelleher take time off to use the athletic department's wonderful equipment and facilities in our Club. Bill is very interested in the fighters of yesteryear and if any member wants to know what round Freddie Dawson faltered against Patrick or similar incidents, Bill's your man!

☆ ☆ ☆

Member Ern MacDonald found a reason for celebration, it was the birthday of Mrs Agnes Hyde. Present were Agnes and her husband Andy, daughters Carmel MacDonald and Marie Grogan and sons Jim and Andrew Hyde, sons-in-law Ern MacDonald, Lindsay Grogan and daughters-in-law Maureen and Marg, grandchildren Sue, Chris and Kathryn MacDonald and Ern's mother and step-father Marge and Kevin Fitzhenry. Agnes is shy about her age (but suffice to say she arrived the year after Federation), but admits to marrying Andy 54 years ago. Both were born at The Rocks in Sydney. A great night was enjoyed by all.

☆ ☆ ☆

Everyone was in high spirits at Bill Farnsworth's birthday dinner party for wife Nancy. Two daughters, Anna-belle and Jane plus son Robert, made it a cosy family get-together in the delightful surroundings of Tattersall's.

☆ ☆ ☆

November 16 is an important day to member Roy Humphrey... it's his 80th birthday!

He's a Club regular and through the years has enjoyed Tattersall's Club. He's still got a "spring in his step" so here's to you Roy may you continue good health for many years to come.

His Club member son Ken is attending to the birthday party celebrations.

☆ ☆ ☆

Good friends and Club members Warren Isaacs and Bob Cowell enjoyed lunch together in the dining room. It was a happy twosome.

A group of nice people found the ideal way to celebrate the birthday of Ms Phyliss O'Donnell. It was a Tattersall's dinner attended by Mr and Mrs S. W. Moulds, Leigh Moulds, Miss Jerry Lough and Michael McLaughlen.

☆ ☆ ☆

Member R. K. Moore staged a farewell family party dinner at Tattersall's. It was for daughter Katherine who has accepted a position as an occupational therapist with the Hobart Repatriation Hospital. The gathering was attended by her mother and father, sisters Lisa, Jacqueline, Madelene and her brother-in-law Steve.

Katherine has accepted a 12-month posting. The happy family made it a very enjoyable evening at the Club.

We wish Katherine a very happy stay in the apple isle. Ed.

☆ ☆ ☆

Bright and jovial Club member Ray Walsh is general manager of RCA in Australia. He looks after the Pacific area too. He is pictured with Tom Heavener (on right), a well-known racing identity and Club regular.

☆ ☆ ☆

Member James Dwyer chose Tattersall's for a dinner to celebrate the thirty-sixth birthday of Peter McLachlan. Also present were Kerry McLachlan with James and Annie Dwyer. It certainly was a fine evening.

☆ ☆ ☆

Adrian Fitzgerald with wife Margaret and daughter Anne (nine years), came to town and Tattersall's from Moree. They were down for the races "to forget about the drought for a while" said wife Margaret (a close relation of the late well-known committeeman Claude Moore).

☆ ☆ ☆

Member Murray Baldwin accompanied by wife Jan, daughters Lynn and Clare and son David plus five of Lynn's friends, had a great party dinner at Tattersall's. It was Lynn's eighteenth birthday. It is always a very important age date and she looked lovely too.

Mr and Mrs Peter Bradfield were pleased to arrange a dinner party in celebration of Mr Michael Whally's birthday. It was Mr and Mrs Tony O'Neill's wedding anniversary too. Also in the party were Mrs Michael Whally and Mr and Mrs Barry Parsons. The evening was rated as a very happy affair.

☆ ☆ ☆

Terry Hill entertained a party of eleven guests to celebrate the birthday of his daughter Jenny on her eighteenth birthday. Guests were Terry's mother and father, Harold and Alma Hill, Rodney Hill, Jenny's brother, M. L. Gates (Jenny and Rodney's grandpa). Mr R. Wartho, Miss A. Dick, Mr D. Groomes and his two daughters Joy and Kathy. A great night was had by all. Should be more birthdays was the general opinion of the party.

☆ ☆ ☆

Member Bill Whitby found the right place to celebrate his son Robert's twenty-first birthday — at Tattersall's of course. Bill's wife and Dorothy (who flew down from Brisbane especially for the evening). Rated the evening as "just wonderful!"

☆ ☆ ☆

A party was organised by Monsignor Douglas Stewart to farewell Father Philippe Goupille (from Port Louis, Mauritius), who was returning to his homeland after accompanying his host on a visit to Tonga to participate in an Oceanis Social Communications Conference, at which twelve countries in the Pacific were represented. The dinner at the Club was attended by life-long friends, Dr and Mrs R. Lam Po Tong (Mauritians now residing in Sydney), who made this last evening in the city memorable. It was a very dignified and gracious evening in the beautiful surroundings of Tattersall's.

☆ ☆ ☆

Member Roy Mayer and Mrs Mayer chose Tattersall's to meet with American visitors, Tom and Mary Clyme and their friends Trudy and Mack McClaren from Peroria, Illinois. They were right royally entertained and will remember their evening at our Club.

☆ ☆ ☆

Who better to write a book titled "Australian Protocol and Procedures" than the titled Tattersall's member the Hon. Sir Asher Joel, KBE. He's "rubbed shoulders" in a manner of speaking with royalty, United States presidents and world leaders. So when the moment presents itself to you — you'll have the correct information — and it's simply written too. I regard it as a great guide — even when you go racing Ed.

Mr and Mrs Ross Cribb with Mr and Mrs Alan David attended the spectacular Institute of Sports Medicine Foundation Dinner. It was a concert evening at Tattersall's Club... a glittering affair, magnificently supported by members and their guests.

Member David Bloom was so happy to arrange a party dinner to celebrate step-daughter Bianca's eighth birthday. She was accompanied by her best friend Alexandra Cox. Alexandra says she can't wait to be eight and wants an "Andy's" special bomb alaska. It's a great treat for all the young and the family.

☆ ☆ ☆

Very popular Arthur "Bunny" John Durkin joined Tattersall's on March 10, 1930. In the office computer change-over of records the gremlins took over and we missed his 50th great year of membership. Congratulations "Bunny" on becoming a senior member and be assured you will receive the full honours.

- DON'T MISS TATTERSALL'S RACE MEETING AT RANDWICK — NEW YEAR'S DAY — January 1, 1983.

Great Tattersall's Club supporter David Tarrant is always happy to find an excuse and so he arranged a happy dinner for Mrs Patricia Kelly (his daughter). Present were husband Paul, daughters Joann and Mary. David and his wife are regulars to the fourth floor. It was a really happy evening.

☆ ☆ ☆

A very great supporter of Tattersall's Club member Jim Baker (wearing one of his Pierre Cardin ties), is estatic about his "72 lb" turrum. A game fighting fish he landed. It was no doubt a thrill for Jim.

☆ ☆ ☆

New member Peter John Rayner was given a real gem of an introduction. Sponsored by Tattersall's members. Neville O'Neill and Peter Holohan, a very happy group enjoyed a fine Tattersall's lunch.

In party were Grahame Ranson, English diamond broker from Hatton Garden, Ian Gelder, a banker (very excited about Westpac).

Another reasonably new member Les Edwards, Jnr (who insisted on a Tooth's beer), enjoyed it with members Frank Roberts, Max Walker and Os Bates.

Neville O'Neill who raced Irish Pride (a Warwick Farm Autumn Cup winner in the 1960's), has retained the name for a new unaware colt.

☆ ☆ ☆

Member Kevin Brosman with his wife Phyllis arranged a Tattersall's reunion celebration with Lord Mayor Doug Sutherland who was accompanied by Lady Mayoress Patricia Feodosiu, a friend for over 25 years.

The Patek Philippe Quartz: a pedigree of thirty years of research in electronics.

Patek Philippe has always been a leading innovator of Swiss watchmaking, creating such milestones as the first solid-state table clock and the first miniaturised quartz chronometer.

Advanced technology and a craftsman's approach to watchmaking have resulted in the Patek Philippe Quartz.

Patek Philippe watchmakers lavish on their quartz model as much time as on a mechanical watch: the several months needed for patiently hand finishing and testing result in unsurpassed accuracy and reliability.

The great accuracy of the electronic components mean little unless transmitted to the hands of the watch by a mechanism of the highest quality. In a Patek Philippe Quartz, four pieces out of

five are mechanical: pinions, gear, wheels & bridges, all entirely finished by hand.

With typical caution, Patek Philippe engineers guarantee the accuracy of their quartz watches to

within one minute a year, although they should in all probability vary by no more than 30 seconds a year.

Every Patek Philippe is meant to last for generations; to be passed on to the children or grandchildren. And that includes the Patek Philippe Quartz.

Patek Philippe watches are sold in Australia only by J. Farren-Price at their premises in St. James Arcade in Sydney. They cordially invite you to examine their selection and enjoy the unique satisfaction of handling the world's finest wrist watch.

MAX BYGRAVES' RETURN SHOW . . .

Max removed his tie to really get into his act.

Evergreen Max Bygraves came back to Tattersall's Club with a great success show. A capacity-packed, happy audience of members, guests and their ladies gave him a big hand. His supporting show included one of Sydney's well-known night club entertainers Norman Erskine. He was a great lead-in for Max, with his own inimitable style.

Many racing, legal and sporting personalities with their ladies enjoyed an excellent meal served with beautiful wines.

Pre-dinner drinks were served in the first floor lounge-bar area. It is an ideal way to set the pattern of the evening. Further shows will be presented in the coming year.

Committeeman Tony McSweeney, Norman Rogers and Bruce McHugh generated splendid Club support and deserve special mention, in fact, it was a good, all-round effort by Tattersall's Club.

TOP RIGHT AND DOWN:

1. Lionel Abrahams, Vern Dalton and Richard Vereker.
2. An interesting trio... a past chairman of Tattersall's and AJC committeeman Jim Comans with Assistant Commissioner of Police K. J. Pyne and Corrective Services Minister Rex Jackson.
3. Tattersall's steward attends Peter and Diane Daley.
4. John Charmis with good friend Rodney Ensor and their wives pause for the camera whilst they enjoy pre-dinner drinks.

**BAD NEWS:
NO SNOW!**
**GOOD NEWS:
National Park is to grant
controlled development
including "on snow"
accommodation**

After such high expectations and an all-time record interest from Tattersall's skiers, the 1982 season was perhaps the worst snow year since records have been kept. Many non-skiers found it hard to believe that with one of the coldest winters for many years there could be such a poor snowfall. The answer was very clear in the weather charts from June onwards; a series of high-pressure systems moving across the lower part of the mainland pushing the snow-bearing "lows" well south of the Australian mainland — perhaps Bass Strait had a record snow year. From reports New Zealand skiers were able to enjoy some of the snow that Tattersall's skiers were looking for.

The combination of record interest of Tattersall's skiers and a poor season highlighted some of the difficulties in accepting nominations for the total capacity of the Lodge at Thredbo. The Committee is at present considering how bookings for the 1983 season can be handled to provide the maximum enjoyment and comfort for members. Details concerning the 1983 programme will be advised to skiers in a newsletter.

1982 was not all bad news as during the latter part of the season the much-awaited management plan of the National Park was announced. In spite of speculation that there would be no further beds available in the snow the plan does make provision for controlled development including "on snow" accommodation. The first area to be considered for development is the one known as Blue Cow in Perisher Valley, and the Twin Valleys project adjacent to Thredbo is likely to receive favourable consideration.

The fact that additional accommodation will be available in the snow is a triumph for the Australian Ski Federation who worked tirelessly in presenting a case for "on snow" accommodation.

Skiing buffs are already looking forward to the 1983 season in the belief that a bad (dreadful) season must be followed by a good one.

In the meantime skiers should ensure that their equipment is checked and properly stored during the summer season.

**DOUBLE
TROUBLE IN
HANDBALL
HANGUPS!**

The Tattersall's Handball Club's annual doubles competition lacked the necessary numbers for a normal draw. However, with a little shuffling, a sideways step or two several interesting matches were concluded. The logical winning team were robbed on their opportunity to take out the gold medal.

Michael O'Dea is still under wraps, Ron and Neil Rogers are conserving themselves for a total effort in the Tattersall's Plate and Ray Hopkins was on the rails. Bill Hannon is suffering a painful injury, Alex Hillston is in training for a singles clash of some consequence while Peter Barnes is reputed to be not allowed out at night and Les Hams was in some sort of a turmoil.

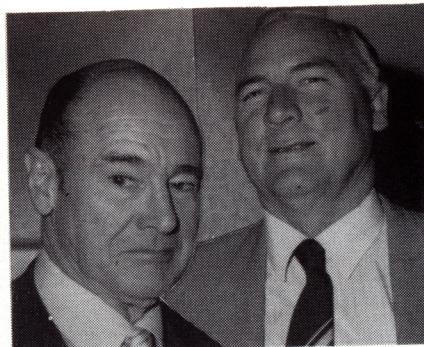

Why Paul Vrachnas did not compete remains a mystery?

Proceedings opened with the clash between David Dobbin and Stan Heaton both handicapped on 22 and Ven Hrouda and David Cabban whose handicaps totalled 48. The four points start were not enough to ensure victory for Ven and David, who were slowly overhauled, passed and then rapidly defeated. Dobbin and Heaton earned their 41-37 victory.

Charles Robinson and Bill Blakemore, both enjoying the burden of a well-earned 12 handicap were opposed to John Barnes (24) and Tony Baine (12). The 12 start for this well-adjusted team appeared an insurmountable barrier for most teams but they were roughly brushed aside by the determined Robo-Blakemore combo. Charles and Bill won a prestigious decision and were immediately installed short-priced favourites.

But then along came Ven Hrouda and Peter Ashby, sporting a total handicap of 46 and with the wind of a 22 start behind them opposed the favourite team of Robinson and Blakemore.

The favourites were soon into top gear and were rapidly making up their leeway when with the score in the low thirties their steady game faltered and errors appeared in their play. Ven was hitting the ball with considerable venom and was causing his opponents some concern. Points came evenly in the closing stages but the finish loomed up too soon for the back-markers who went down 36-41.

Peter Ashby (your Handball reporter and player) with good friend and third floor regular Bill Sellen. They really enjoy their athletic department work-outs at Tattersall's Club.

The Martin McCurrich-David Cabban team received a start of eight from the successful Dobbin-Heaton duo. David and Stan combined superbly in this clash and rapidly overhauled Martin and David who never appeared able to control the play. This win earned David and Stan a crack at Hrouda and Ashby.

The Dobbin-Heaton team queried the start of two points to their opponents but were overruled by the handball secretary. The game was closely contested with neither team gaining a big advantage and the final result was obscured until after 32-28 Ven and Peter forged to a relatively easy victory.

The final score line was 41-33.

TATTERSALL'S PLATE:

The eight players remaining in the Plate field following the preliminary rounds are Noel Vella, Ven Hrouda, Alex Hillston, Ron Rogers, David Dobbin, Don Hudson, Ray Hopkins and Neil Rogers.

Noel Vella and Tony Baine had a short, sharp tussle with Noel winning 31-21.

Ven Hrouda enjoyed the biggest win of his career accounting for the State Champion Frank Coldwell 31-16.

The Don Hudson-Ken Glass encounter was a hard-hitting bash that earned many plaudits from the onlookers. There were many long and hard rallies before Don won 31-23.

Charles Robinson, on the night, was no match for Ron Rogers who eventually prevailed 31-17.

Subsequent matches have resulted in wins for Noel Vella against Ven Hrouda and for Don Hudson against David Dobbin.

The Plate final will be played at 6 pm on Tuesday, November 16, 1982 prior to the presentation of Handball Trophies.

STAR-STUDDED DINNER-CONCERT

Top right: Entertainer Bobby Limb, Committeeman Bruce McHugh, Norman Rogers, Rolf Harris, singer John McNally with Dawn Lake.

Centre left: Tattersall's member David Waterhouse successfully bid for the "on the spot" painting (painted in British Paints), by Rolf Harris. The sixteen hundred dollars will be well used by the Foundation — thanks to the skill of Rolf and British Paints.

Centre right: The Hon. Douglas McClelland presented a commemorative Institute of Sports Medicine plaque. It was in recognition of his magnificent support and donations.

Bottom left: Larry Hawke doffs his Commonwealth Games star-autographed hat. His attractive wife Rose saw Larry successfully bid for the hat.

Bottom right: That retiring great benefactor, Tattersall's member Jack Chown, explains a point to Rolf.

SPORTS MEDICINE NIGHT WAS EASY TO TAKE!

A great team effort spearheaded by Committeeman Norman Rogers staged a Black Tie Dinner-Concert at Tattersall's Club.

Worthy Institute of Sports Medicine received tremendous support by Tattersall's members and guests.

It was an evening presented in the delightful first floor lounge area. Pre-dinner drinks saw beautifully-gowned ladies and their escorts enjoying the real delight of an evening in our Club.

The entertainment was of top order. Rolf Harris was in excellent form, John McNally in splendid voice with Bobby Limb and Dawn adding to the fine entertainment.

Presentation plaque to Tattersall's member Jack Chown was made by member and international cricketer Alan Davidson.

He thanked the members for the generous support especially the retiring, kind man, Jack Chown.

The Hon. Douglas McClelland and his charming wife Lorna attended. The Senator made a presentation to Rolf Harris "in recognition of a great artist, donor and friend". Chairman Keith Moremon applauded this fine tribute to this generous man.

Rolf Harris donations from his paintings has reached a staggering sum of over seventy-five thousand dollars — truly a generous effort.

There were so many wonderful, warm-hearted, generous people present. It was a night which made me very proud to be a Tattersall's Club member. Ed.

TATTERSALL'S IN THE MAUI SWIM

For the second year running our team in the Maui Channel Swim was right up with the winners . . . the sustained excitement, the pressure, until the last few minutes of a magnificent three-hour race was an unforgettable experience, certainly for the supporters and hopefully for our six superb swimmers.

It was ten hours and 5,000 not entirely uneventful miles later, that the Tattersall's tourists made it to Hawaii late in August. In doing so they survived one forgotten passport and a not exactly friendly reprimand from the senior air hostess for the over-exuberant popping of champagne corks celebrating the launching of the expedition . . . strange that the shyest and most self-effacing member of the party should be guilty on both counts . . . no prizes for the correct answer, but guess who?

Nine of the party of sixteen . . . actually the number seemed to fluctuate somewhat from day to day . . . had been part of last year's super trip, and of that number, three were members of the successful 1981 swim team; Alex Hillston, Johnny Holt and Ron Rogers. They were joined this year by Greg Gould, Neil Rogers and John Stubbs for the gruelling nine and a half mile swim.

38½ teams (the half being Tatt's No. 2 or veteran's team who completed a valiant and honourable 90 minutes of the journey), contested the race and as last year, Tattersall's were the only non-American participants. First past the post was a specially-formed, composite group calling themselves Santa Monica in record time of 3 hours 15.7 minutes, followed by The Olympic Club from San Francisco. Our team came a brilliant third in 3 hours 21.5 minutes, 13 minutes faster than last year when they were placed second. A magnificent effort and congratulations to all swimmers. Not bad for a third floor social swimming club — they did Tattersall's proud. (It is thought that the three-hour barrier will go next year).

Congratulations and also thanks to BC, the pilot of the team's accompanying boat, whose local experience and enthusiastic vocal encouragement was invaluable. The good intentions of the charming young masseuse who

accompanied the team, must be commended. In the end result she became the patient as nobody thought to ask beforehand if she suffered from sea sickness!

Of course it wasn't all work and no play... the hardest job of all, certainly for those first few days in that fabulous sunshine was to change from winter-white to tropical tan as painlessly as possible. The Maui Sheraton, no doubt the best positioned of all the hotels at Kaanapali, once again proved ideal as a centre for sunshine, swimming, socialising and sightseeing.

It was a totally unanimous and unspoken decision... it had nothing to do with weight, girth or bottomless fund of stories... that Norm Rogers became "The Godfather" of the party and in that capacity could be found, the perfect host, holding court beside the pool most times. Affairs and problems of national importance were phoned and cabled across the Pacific... the current racing results, the latest Rugby League scores and progress results of the Wallaby Tour in New Zealand... no peace for the wicked!

The Waikiki Rough Water Swim was the next challenge. We flew the short distance from Maui to Honolulu and settled into the grand old Royal Hawaiian Hotel the afternoon before the 2 1/4-mile swim. By this time a ghastly virus had hit the swimmers with the result that only three participated, each one with creditable times. Graham Cole came fourth in his group, Alex Hillston came sixth in his and 24th overall, and Ken Glover completed with distinction in 1 hour 20.7 minutes. They were three among 1,101 swimmers of all ages... a most impressive sight.

Despite suitcases filled with pills and potions to ward off and/or cure every known disease, poor Alex Hillston

MARK SPITZ American Olympic Gold Medallist (7) Welcomed at Tattersall's

Some of the swimmers in the informal party were members of Tattersall's who have just returned from the Annual Maui Swim.

Mark was made a Tattersall's Club honorary member for a year. "He could be a handy member to have in our team," said committeeman Norman Rogers, who made the presentation on behalf of the chairman who was interstate.

was next to succumb and he joined John Holt and Greg Gould in the sick bay. It certainly shattered the ranks of the young — what a way to spend a holiday.

The Outrigger Canoe Club with its superb facilities was the meeting place most days while we were in Honolulu, but the shops also benefited from the Tattersall's invasion. Trappers, that popular jazz, happy hour bar (part of Hyatt complex) and Bobby Magee's, the IN disco joint, are no doubt rubbing their hands together in anticipation of a return visit next year. My guess is that we, the 1982 party, are rubbing our hands with equally as much anticipation.

Many thanks to Bobby Lavigne and his Staff, to Ken Glover (Continental Airlines) for their assistance. Also, a great big "thank you" to Jack and Lea Shaffron, Stuart and Katie McAllum, and Frank and Phil Hurley for their many kindnesses and support.

ALEX HILLSTON IN BRILLIANT SWIM EFFORT!

Late September saw the commencement of another season for Tattersall's Swimming Club with a handicap over 40 yards which drew a field of 38 starters.

Best effort of the day was the brilliant swim of Alex Hillston, Captain of Tatt's Maui Swim Team.

The Barrell brothers John and Andrew showed that they would be a force to reckon with as they both won their heats in fine style, whilst Andrew also took out an 80-yard final in smart time.

Allister Lugsdin is in fine battle winning the 40 yards in scintillating fashion from John Barrell with Norm Rogers and Andrew Barrell dead-heating for third possie. Allister has also won two 80-yard finals costing him a second off his handicap.

Neville Menlove in winning his heat and final showed that he could be a thorn in the side for the Silver Sharpe Trophy. He has a very relaxed stroke and swims without any apparent effort.

New members welcomed were George Johnson, Michael Timmins and Chris Hughes; the latter has created a good impression in landing two 80-yard finals in well-judged swims.

Fast times were recorded by Leigh Emery 17-7 and 18-7, Alex Hillston 18-4, Allister Lugsdin 20-5 and 20-6, John Stubbs 20-7, John Barrell 20, Greg Gould 20, Ken Glover 20-7 and 21-4 and Tony King 21-6.

Congratulations to our generous donors Adrian Abbott on the wins of Ksar Royal and My Sharain and Tony McSweeney and his successes with St. Peter. Hope you both continue in a winning vein.

New members are to be welcomed, all that is necessary is to do a time trial and join in the fun and games on the third floor.

Leaders in the point score at time of writing are A. Lugsdin 22, A. King 19, A. Barrell 17 1/2, L. Emery 16, K. Glover 15 and J. Barrell 13.

RESULTS:

SEAFOOD DANCE A STUNNER

Those seekers of fine foods served with excellent vintage wines and accompanied by a frolic on the dance floor, Tattersall's Epicureans, gathered in force in the relaxing lounge and were regally regaled with savoury bouchees and champagne cocktails.

Harmony came in the form of a half-dozen mixed — Oysters Harmony . . . We chose the McWilliam's Mount Pleasant Elizabeth Riesling and everyone enjoyed this magnificent wine.

The band not only drew the revellers' attention to the dance floor but maintained its great appeal throughout the evening.

The Lobster Princess was indeed a tasty dish to set before a king, with

more, much more, of course, riesling.

The tropical fruit salad was a tempting concoction and was imaginatively served.

This very successful evening was hosted by Senior Epicurean Victor Vadas who was accompanied by Rona and Geoff Eastment.

Dalmar and Neville Taylor with Day and Colin Campbell were impressed with all facets of the event.

Denis Pidcock and his wife Erika, a lovely lady from Bavaria enjoyed the function.

Narelle and Bill Sellen's guests included Marie and George Owers, the Bondi evergreens.

WARREN FOSTER Championship Double!

Both Championships were completed for year 1982 and a record of some sort was established. Both finals were contested by the same two players — Warren Foster and Phil Hase!

First they played the Billiards final in which Phil was most unlucky to miss an easy pot of the red when he only needed one point to win. Warren made no mistake by scoring seventeen on his next visit to win the title.

A few minutes rest and then they battled for the Snooker title which became a battle for supremacy — Warren won the first frame during which he made an excellent break of 42; Phil then evened the score by taking the second frame, and then placed himself in a winning position in the final frame with a lead of 17 on the colours. Warren showed his skill, ability and determination by pelting his way to final victory. So congratulations to Warren Foster for winning both Championship Titles.

"CITY TO SURF" Marathon Effort by Tattersall's Team

Some solid road work has been in evidence during the past few months resulting in a fair representation in the 'City to Surf'. Among the participants in finishing order were Peter Joseph, Nick Heath, Terry Jackman, Rod Hawthorne, Martin McCurrich, John Simpson, Martin McRobert, Bill Orme, Allister Lugsdin, Nick Papalia, Bruce Mackie, Terry Wolfe, David Castle, Len Blanket and Stan Heaton.

Owing to the success of this preliminary try out a team of four under the sponsorship of Terry Jackman took themselves down South to Melbourne for the 26 miles 385 yards event during the month. There were 5,000 starters and 95 per cent made the finishing line. Again Peter Joseph took the honours with a time of 3 hours 7 minutes, followed home by Terry Jackman 3-11, Harry Turner who had just recovered from a broken leg 3-43 with David Barnett and John Forsyth together on 3-23 whilst an ardent supporter who had only intended competing for half the journey Mike Crivelli lasted the distance and came home in great style.

Young Bookmaker at the Top

Dominic Beirne is one of the really young breed of bookmakers. Within three years he is up in the TOP flight. He stands on the rails at all courses and offers good odds. His youthful, well-attired look is backed by a keen, intelligent head for figures — par for the course for any successful bookie. Dom doesn't "step backwards" and has written some mammoth bets. He said his "Bad Day at Black Rock" was at Randwick recently when he took on Nicholas John — some \$160,000 later he wished the bearded Cook hadn't kicked the winner home. On the plus side, he thought "The King" could be dethroned in the Chelmsford and was on the right side of over \$100,000. His pleasant demeanour and no fuss attitude is good to see on the course. Crankiness, win or lose, is not in his makeup. Very happily married with a young son, Mark Damien. He's the pride of "Dom" and his petite wife Cheryl. Cheryl is the daughter of popular racing journalist Phil Wilson.
